

BRASS ONE-PIECE PLUG & CHAIN ASSEMBLY			
ITEM NO.	CGA NUT & BLIND NIPPLE COMBINATION FOR GAS-TIGHT SEAL	MAX Psi	
CP-300	CGA-300 R.H. Female-Commercial Acet	500	 Item No. CP-580
CP-320	CGA-320 R.H. Female-Carbon Dioxide	3000	
CP-326	CGA-326 R.H. Female-Nitrous Oxide	3000	
CP-346	CGA-346 R.H. Female-Air	3000	
CP-350	CGA-350 L.H. Female-Hydrogen, Nat Gas	3000	
CP-510	CGA-510 L.H. Male-P.O.L. Acetylene	500	
CP-520	CGA-520 L.H. Female-"B" Tank Acetylene	500	
CP-540	CGA-540 R.H. Female-Oxygen	3000	
CP-580	CGA-580 R.H. Male-Nitrogen, Ar &	3000	
CP-590	CGA-590 L.H. Male-Industrial Air	3000	

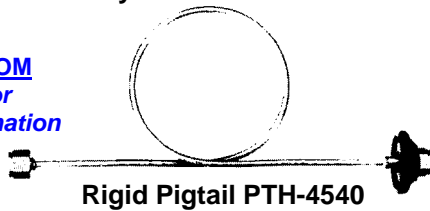

**\$5.65 PER PACK OF 10 Plastic Cover for CO<sub>2</sub> valve threads**

Item No. 2CL

**Pigtails** are available in rigid assemblies: copper or stainless tubing with hex nuts, wrench handles, or hand-tight style fittings. Brass tubing is suggested for acetylene service.

**CUSTOM**  
Call for information

Rigid Pigtail PTH-4540

Pigtails with spring guards are available:

- \* Prevents kinking
- \* Ends are secured to fittings - helps to control "whipping" if pigtail breakage occurs!

Flexible pigtail and spring guard PTH-540-24-G

Teflon inner tube reinforced with a stainless braid. Standard length is 24" with a hex nut and a hand-tight handle.

Flexible pigtail with hand-tight nut and nipple PTFH-580-24CV

Specify type of gas, i.e. 540 for oxygen, check valve add CV and indicate location and flow direction. List length -24, -36, etc. Safety spring guard add "G". Also available with swivel "S" and 90° street elbow "SE".

### Inert Cylinder Refill (Transfill) System

# AC600  
\$178.58 EA

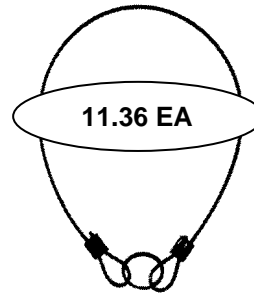

Braided SS Lines w/Hand Tight Male CGA-580, 0-4000 Gauge, Vent Valve, For Nitrogen, Argon, Helium & Inert Mixes

BRASS ONE-PIECE DUST CAP ASSEMBLY			
These Dust Caps are a one-piece unit and are not made for a gas-tight seal. They are to be used as thread protectors end to keep valves free of contaminants when not in use. The nuts are made of high-quality brass with standard wrench pads. All cylinder caps meet CGA specifications on threads. Not to be mistaken for a gas-tight plug.

### Retaining Strap

RS-010

Retaining strap is available. It fits over cylinder valve and inlet connection. Prevents accidents caused by stripped cylinder threads.

### High-Pressure Inline Check Valves - Brass 3000 PSIG, Stainless Steel 6000 PSIG

BRASS \$28.50 EA

STAINLESS \$71.08 EA

- \* CV-215 Brass, 1/4" NPT male x male
- \* CV-219 Brass, 1/4" NPT male inlet x 1/4" NPT female outlet.
- \* CV-229 Brass, 1/4" NPT female x female
- \* Add "SS" for stainless steel
