

SAFETY and FIRE EQUIPMENT

JACKSON

NARROW SHELL

A compact design especially useful for welding in close quarters.

2 x 4-1/4 #10 & COVER LENS INCLUDED

#H4-A \$59.95 EA

RADIARC™ LARGE LENS LIFT FRONT HELMET

5-1/4 x 4-1/2 #10 & COVER LENS INCLUDED

#HXL-200

HXL-200. A revolutionary large lens lift front design that won't fall down on the job. Radiarc's Isotract™ lift system positions the lens on top of the shell, instead of in front of your face, to eliminate accidental drop-down and reduce neck and head fatigue. **Color:** Black.
