Mini Tubing Cutters

\$34.42 EA **\$12.60 EA**

70024 Mini Tubing Cutter with Spare Wheel
3/16" to 1-1/8" (4mm to 28mm) O.D.

70000 Mini Tubing Cutter
1/8" to 7/8" (3mm to 22mm) O.D.

- Compact Body and Sliding Block Design reduce overall dimensions for use in restricted spaces.
- For accurate cutting of Copper, Brass, Aluminum, and Stainless Steel Tubing.
- Large Knurled Feed Screw Knob for easy control of cutting pressure for clean cuts.
- Rollers are grooved for cutting close to flared end of tubing.

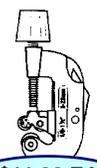

Premium Tubing Cutter

\$28.45 EA

70001 Premium Tubing Cutter
1/8" to 1-1/4" (3mm to 32mm) O.D.

ECONOMY

\$11.36 EA
39-920
Not UGA

- Precision feed screw mechanism is designed so the Tubing Cutter always stays the same length for use in tight work areas.
- Rollers are grooved for cutting close to flared end of tubing.
- Spare Cutter Wheel and Fold Away Reamer are part of the tool.

3-in-1 Triple Bender

\$40.92 EA

70015 Triple Tubing Bender

- Compact and durable tool with multiple bending channels capable of bending 1/4", 5/16" and 3/8" O.D. soft copper, aluminum and soft stainless steel tubing.
- Calibrated markings show angle of bend for accurate left hand, right hand and offset bends

Premium Tubing Cutter

\$39.62 EA

70090 Premium Tubing Cutter with Retractable Deburring Blade
5/16" to 1-5/8" (8mm to 42mm) O.D.

- Precision Feed Screw Mechanism.
- Tube Cutter stays the same length for use in restricted areas.
- Retractable Deburring Tool for removing sharp edges from tubing.
- Contoured knob holds Spare Cutter Wheel.

70091 Replacement Deburring Tool
\$9.09 EA

Quick Action Tubing Cutter

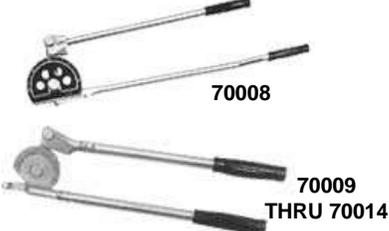

\$61.05 EA

70002 Quick Action Tubing Cutter
1/4" to 2-1/2" (6 to 62 mm) O.D.

- Spring loaded ratchet cutter wheel feeding system allows quick action approach/release for tubing size adjustment.
- Two sets of small and large rollers ensure perfect cutting action on the smallest and largest tubing capacities.
- Fold away reamer.
- Contoured knob holds spare cutter wheel

Lever Type Tube Benders

- Each tool bends one size of soft copper, aluminum, brass, steel and other metal tubing.
- Calibrated markings show angle of bend for smooth, short radius bends up to 180°.
- Wide hook grips tubing securely.

70008	\$64.93 EA	BENDER 1/4" O.D.
70009	\$65.59 EA	BENDER 5/16" O.D.

RIDGID® 2-in-1 Close Quarters AUTOFEED™

Allows for fine indexing - of the cutter - to operate in tight spaces. The new ratchet handle allows more flexibility and mobility while keeping the AUTOFEED features of the standard model #118 Cutter, which is designed to cut hard and soft copper, aluminum and brass from 1/4" through 1-1/8" OD. Comes with a spare E-3469 Cutter Wheel (stored in the knob).

#632-32573 \$41.95 Ea.

RIDGID
We Build Reputations™

Spring Tube Benders

- For fast, free-form bending of soft copper and aluminum tubing.
- Spring slips over soft copper or aluminum tubing and prevents collapsing of the tube walls when bending.
