Acetylene	CAV-10-510	AW-1A	AW201 AW205	AC-309 90° head	MC12-0
		Oxygen Regulator	Fuel Gas Regulator	Accessories	
		30-100-540 (CGA540)	30-15-510 (CGA510)	Flint Lighter, Check Valves, Goggles, 25' Twin Hose, Owner's Manual	

This light duty outfit is perfect for jobs requiring a sensitive touch. It is compact and lightweight and easier to use in tight, confined areas. The Cavalier is just right for repair shops, body shops, garages, car clubs and customizers ... wherever there's a need for quality welding and cutting equipment. The nickel plated torch handle and cutting attachment are covered by Smith's exclusive LIFETIME Warranty & Service Agreement. Features the same rugged, reliable Smith 1700 Series used on heavier duty outfits. Includes reverse flow check valves for added safety. Complete instruction and operation manual included with each outfit.

CLASSIC MEDIUM DUTY TOOLBOX OUTFIT

\$556.00 EA

OXYGEN-ACETYLENE COMBINATION OUTFIT MEDIUM DUTY CUTS TO 6" (153mm)

(Capacity with tips supplied in outfit: cuts up to 5/8", welds up to 1/8")

Premium outfits features a rugged, high impact toolbox to safely transport the outfit components. Outfits include the traditional, lighter weight MC style cutting attachments. Cutting attachments and torch handles are covered by Smith's "Lifetime" Warranty, the very best in the industry. Regulators are covered by a 3-year limited warranty. These outfits also feature rugged, highly accurate Series 30 regulators with shatter resistant, polycarbonate gauge lenses. Regulators are designed with Smith's Sure-Seat™ high pressure seat technology for extended regulator life. An American Classic Outfit, - all made in the U.S.A.
