OTHER CONNECTORS & CABLE ADAPTERS

MORE ARC ACCESSORIES

INTERNATIONAL DINSE TYPE MACHINE PLUGS

Today more welding power sources are equipped with International style connectors for secondary connections. Lenco now offers 4 International Dinse type machine plugs for use with No. 8 (10mm²) through 4/0 (95mm²) AWG size cable. Lenco also offers a one-piece adapter which has a Dinse type male (power source) on one end allowing a TWECO style 2 or 4 series connector to plug in the other end.
