### Torch Packages

Each torch package includes an assembled torch head, installed shield cup, cutting tip, electrode and cable. Requires a hookup kit which is sold separately.

Optional accessory kits sold separately. Machine torches include an RC-2 Remote Pendant Control plus 24 and 32 Pitch Racks. All PlazCraft torches require pilot arc start. Maximum torch power rating for all torches is 12KW.

### How To Order

1. Choose a **TORCH PACKAGE**.
2. Choose a **HOOKUP KIT** for your power supply.
3. Choose the appropriate **ACCESSORY KIT** for your cutting application.
4. Note that REPLACEMENT PARTS are available when the time comes to maintain your torch in the field. Modular design means that PlazCraft truly is "the last plasma torch you'll ever buy."

Replacement parts can be purchased separately to maintain the life of PlazCraft torches.

**ACCESSORY KITS** Each kit is designed for a specific application. Additional models available, call for more information.
