

WHIPPET crimped wire wheel brushes are designed for applications in the automotive, farm and hardware markets. Filled with high-quality untempered wire, Whippets are general utility brushes for use on bench grinders and portable power tools.

CRIMPED WIRE WHEELS

- Economical for light duty applications
- Medium brushing action

CRIMPED: provides a continuous brushing action and a relatively fine finish.

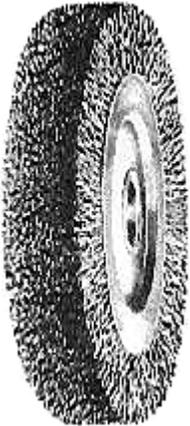

NARROW FACE

Narrow Face

ALL WHEELS HAVE A FACE WIDTH OF 3/4"
