

**Powerful, lightweight hammer drills, built to last a lifetime.**

Along with efficient ball and needle bearing motors ranging from 4.5 to 8 amps, all of these tools have electronic speed control, instant switching from hammer to drill, and most offer 2-speed gearboxes. Most are fitted with the unique Metabo slip clutch, which stops the tool from twisting, if you hit an obstacle, they make for exceptionally safe tools.

To implement 'CODE!' System requires purchase of accessory Code Key. For details see next page
