

FOR CARBIDE TIPPED DRILL BITS TO FIT:
 SDS, SDS-MAX & SPLINE ROTARY HAMMERS,
 SEE THE "CUTTING TOOL ACCESSORY"
 SECTION OF THIS CATALOG

#31590 Dust extraction devices with depth stop for 5/32" - 3/4" diameter bits. \$75.60 Ea

#31591 Dust extraction devices with depth stop for 5/8" - 1 9/16" diameter bits. \$81.10 Ea

#31594 Support handle (goes with 31590 & 31591) for fitting the dust-extraction devices on the collar of the tool. \$16.20 Ea

#31592 Vacuum hose 15' long with 30mm internal diameter and 35mm external diameter connecting pieces. Requires 30316 or 31593 adaptor. \$47.50 Ea

#30316 Adapter Used for connecting 31592 vacuum hose to standard 2 1/4" vacuum inlets. \$8.80 Ea

#31593 Adapter Used for connecting 31592 vacuum hose to standard 1 1/4" vacuum inlets. \$16.80 Ea

#23371 SDS-Max to SDS-Plus adaptor \$91.10 Ea

23372 SDS-Max to Spline adaptor \$149.40 Ea

23373 SDS-Max to Spline adaptor \$197.00 Ea

31409 Chiseling adaptor Fits over existing chuck of 6011, 6015, 6021, and 6021 Contact \$142.20 Ea

30928 SDS chuck adaptor 1/2 x 20 threads. Use it to mount specialty chucks and accessories on Metabo SDS rotary hammers. \$24.60 Ea

31285 SDS chuck adaptor Suitable for drilling applications only. For use with most 1/2 x 20 thread chucks on all Metabo SDS rotary hammers (includes clamping bushing for 1/4" hex accessories). \$19.40 Ea

Masonry Chisels

- Precisely sharpened, they will retain their cutting edge over a long time.
- Made of specially tough breakage resistant steel.
- Easy to reforge.
