K-39 & K-39B Features

Model K-39 & K-39B are hand-held drain cleaners designed to clean 3/4 to 2 1/2 drain lines in kitchens, bathrooms and utility rooms.

The K-39 electric powered tool is a double-insulated design equipped with polarized plug. Double insulation eliminates the need for the three-wire grounded power cord and grounded supply system. This drain cleaner is available in three styles:

- o Slide-Action Chuck
- o Slide-Action Chuck with Autofeed™ Assembly
- o 3-Jaw Chuck

The K-39B Cordless tool is available in two styles:

- o Slide-Action Chuck
- o Slide-Action Chuck with Autofeed™ Assembly
- The slide-action chuck or the 3-jaw chuck grips the cable so that it can be forced into the blockage as the drum continues to spin.
- The Autofeed™ attachment automatically feeds and retrieves the cable thereby eliminating the need for manual control.
- 5/16" cables best for 3/4" to 1 1/2" lines
- 3/8" cables best for 1 1/4" to 2 1/2" lines.

MODEL "Power Spin" (manual)

Order No. 88387
\$45.75 Ea.

Features

- Light-duty product for drains to 1-1/2 inches.
- Comfortable hand-grip eases effort.
- 1/4 inch x 25 feet hollow core cable
- Automatically advances and retrieves cable.
- Operates by hand or by adding any variable speed drill.
- Light Weight., 4.5 lbs
